Trademarks Defined

The logos pictured on this page are just a few of the registered trademarks of Lions Clubs International. The Lions Clubs International trademarks are defined as:

"Any existing and future association names, emblems, logos, seals, registered trademarks and other trademark interests, including but not limited to Lions, Lioness, Leo, Lions Clubs, Lions International or Lions Clubs International."

Automatic Authorization

The [LCI Trademark Policies](#) authorize our members to use the trademarks in a variety of applications including, but not limited to:

- On printed materials reasonably related to club & district operations
- In digital media applications such as websites, social media, etc.

Complete details of these and additional permissions may be found in the LCI Trademark Policies.

What should I do if I find an unlicensed company selling Lions merchandise?

Report any unauthorized suppliers of Lions merchandise to TrademarkUse@lionsclubs.org and help protect your emblem. Revenue from the sale of Lions merchandise helps to keep our dues the lowest of any like service organization.

I know a company that would like to become a licensee, who should they contact?

The Lions Clubs International licensing program establishes long-term business contracts with commercial entities, allowing them to use our registered trademarks on products sold directly to our members. Our licensees sell their own unique products branded with the Lions trademarks and do not sell items offered by the LCI Store. If you are aware of a company that would like to become an official licensee, please have them contact LCI directly at TrademarkUse@lionsclubs.org.
