BUILD ATTENDANCE . . .

If you want a great year for your organization, it's necessary to start with attendance. Without regular attendance of the majority of members, there can be no enthusiastic meetings or projects. Regardless of how great the programs are, it takes people to generate fellowship and fun. Red Circle Calendars are great attendance builders.

SEND GREETINGS . . .

Red Circle Calendars make an attractive Christmas Greeting Card with a colorful top sheet available with two different designs. Here is a card that can't be purchased in a store. It's something special that can only be obtained from this source. Not only does it serve as a greeting, but after the colorful top sheet has been removed it serves as a useful tool for the rest of the year.

Minimum order of 25.
 25 to 124 - \$1.50 each
 125 or more - \$1.30 each

Calendar can start in January or July

(Applicable taxes, postage and handling charges will be applied.)

Shown in actual size (6 1/8" high x 3 1/4" wide) is the popular Red Circle Calendar that is used nationwide.

IDENTIFY MEMBERS

The Club insignia attractively placed at the top of the sturdy die cut calendar back stands out wherever it is placed, calling attention to the member's affiliation. The meeting day and time appear beneath the insignia. At the bottom of the card there is ample room to print the club name and names of two officers.

LOOK AT THE PHOTO . . .

Note how large the dates appear. They are as large as those used on many wall-type calendars. The Red Circle marks the meeting day for those busy people who need to be reminded. This item is very popular throughout the world as attested to by the repeat orders we receive year after year.
