Additional action items to achieve this goal:

As two merging Districts we have an ageing membership and we have lost a lot of members who have passed on to higher service.

This means we have to work with the membership groups we have and be open to new and especially younger members in these Clubs. If this proves to be difficult we will establish branch clubs alongside existing clubs to bring in new young members. This will be part of the Zone focus on membership to bring clubs on board. Every club and every Zone will have a membership officer. We will be able to monitor each Zone monthly. My challenge is for every Club to maintain their membership and add one new member each so we could have 86 members.

But I am realistic and I am aiming for 25 new members based on the trends in both Districts
